Army Corps of Engineers Programs Receiving Funding

- **Investigations: \$25 million**
- **Construction: \$2 billion**
- **Mississippi River and Tributaries account: \$375 million**
- **Operations and Maintenance: \$2.075 billion**

Description: "The Corps has identified many potential Civil Works projects that meet the criteria of the legislation for funding, and expects to publish its final list of projects to apply stimulus dollars to in mid-March. Selected projects will be geographically distributed across the United States and across Corps programs to provide the nation with inland and coastal navigation, environmental, flood risk management, hydropower, recreation, and more." (from [Stimulus Money for US Army Corps of Engineers](#))

How to apply: The Fourth Congressional District is located in the St. Paul District of the Army Corps of Engineers. Local organizations can contact the St. Paul District to learn about programs currently on the list at 651-290-5200.
